EDUCATION

HCM CITY UNIVERSITY OF TRANSPORT

- Duration: 09/2019 - 2024
- Major: Information Technology
- Graduation rank: Good
- GPA: 3.2/4

SKILLS

FRONT-END

- HTML/CSS, Sass, Bootstrap, Tailwind CSS, Material UI
- JavaScript, ReactJS

BACK-END

- NodeJS
- SQL Server, MySQL

TOOL

- Visual Studio Code, Postman
- Figma, Github, Vercel

OTHER

- Office: Word, Excel, Powerpoint
- English: Reading, understanding documents

CAREER OBJECTIVES

In the next 2-3 years:

- Become a specialized Frontend Developer in ReactJS, mastering modern technologies and libraries such as Next.js, Redux, and TailwindCSS to optimize performance and user experience.
- Learn and apply clean coding principles and software architecture to write optimized, maintainable code.
- Participate in real-world projects to gain practical experience.
- Improve soft skills such as teamwork, time management, and communication in a corporate environment.

In the next 5-10 years:

- Advance to Senior Frontend or Fullstack Developer, capable of designing and building large-scale web systems with high performance and security.
- Master backend technologies such as Node.js, NestJS, or GoLang to take on Fullstack roles when needed.

WORK EXPERIENCE

- HAAHOO COMPANY (06/2024 - 08/2024)
- Frontend Developer Intern

PERSONAL PROJECTS

Project name: MOVIE APP - Online Movie Website

Project URL: <https://movie-app-test3.vercel.app/>

- Description: Developed a movie website with a visually appealing and responsive design for both desktop and mobile users.

Technologies used:

- Front-end: ReactJS, TailwindCSS
- API: The Movie Database API - TMDB
- Tools: Visual Studio Code, GitHub, Vercel (deploy)

Role & Responsibilities:

- Designed the user interface (UI) with TailwindCSS, ensuring a fully responsive design.
- Integrated TMDB API to display movie listings, trending movies, genre-based searches, and detailed movie and actor information.
- Optimized website performance using React Hooks and React Router, implementing lazy loading and caching for faster page loads.
- Deployed the application on Vercel.

AWARDS

- Outstanding Student of An Nhon Town, Binh Dinh (2021, 2022, 2023, 2024)
